5D4N ICELAND  
| REYKJAVIK &  
GOLDEN  
CIRCLE

The best of  
Iceland brought to  
you, just for you

## 5D4N ICELAND | REYKJAVIK & GOLDEN CIRCLE

Exploring Iceland has never been easier. With all the transportation and accommodations taken care of, you can simply decide what you like to experience in Iceland and enjoy them thoroughly. This 5-day package includes everything from airport transfer to hotel and tours.

### Day 1: Arrival - Transfer to hotel in Reykjavik

Upon arrival, you will head to the coach park outside the airport where your transport will be waiting for you. You will enjoy a comfortable ride to your hotel in Reykjavik.

#### Optional activities:

- Blue Lagoon

### Day 2: Golden Circle

**Pingvellir National Park** - we visit the place where the two tectonic plates, the North American and the Eurasian plate, are moving away from each other. The biggest natural lake in Iceland is also located at Thingvellir National Park and hosts a great variety of fish and birdlife.

**The Geysir geothermal area** hosts hundreds of colorful hot springs and two geysers, erupting hot springs.

The melting water from Iceland's second biggest glacier, Langjökull, falls into a deep canyon forming the majestic "Golden Falls". On a sunny day, you can see the glacier Langjökull in the distance and enjoy a rainbow in the mist of the waterfall, an Instagram blockbuster waiting to happen!

**Traditional Dairy Farm and Free Ice Cream** - We visit Efstidalur farm owned by the same family since 1850. This Icelandic family-run business sticks to traditional Icelandic farming culture and focuses on cows and cattle breeding. You will be able to enjoy their tasty farm-to-table dairy products, see the stunning mountain view and see the friendly animals. We will invite you to taste the ice cream yourself and meanwhile watch the animals relaxing in the stable.

### Price for the package

**Day 3: Snæfellsnes Peninsula Day Tour** Kirkjufell, "The Church Mountain", and Kirkjufellfoss waterfall This iconic narrow mountain has become the landmark of Snæfellsnes in recent years. It became famous after being presented as the "Arrowhead Mountain" on Game of Thrones.

**Búðakirkja, the Black Church of Búdir** On the south coast of the peninsula, there's a village with only a hotel and a tiny black church called the Búðakirkja that sits alone among a field of lava rocks.

**Arnarstapi Fishing Village, Hellnar & Arch** This tiny fishing village has picturesque coastal cliffs which derived from glowing magma hitting the wild waves of the Atlantic. Known in Iceland as the most beautiful harbor of the country.

**Ytri Tunga beach and seal colony** Ytri-Tunga is a sandy beach that has a little secret hidden away down by the sea, behind the farmhouses... a seal colony! Looming over the entire southern coastline, **Lóndrangar**, a set of 75-meter high basalt pinnacles set the tone for what's to come. They host a variety of seabirds, northern fulmars and puffins, and others.

**Djúpalónssandur**, beach of black volcanic sand A beach of black volcanic sand and stones where for centuries Icelandic fishermen rowed out to the fertile fishing grounds of the Atlantic ocean.

**Saxhóll Volcanic Crater** Formed over 4,000 years ago, this volcanic crater has now been made accessible via an iron staircase giving you the option of hiking it. The hike is not too challenging and gives you a 360° view of the lava fields with Snæfellsjökull glacier looming over.

The adventure ends when your guide drops you off Reykjavik at designated location and then you can go home to tell all tours friends about the wonders that Western Iceland has to offer.

### INCLUDED

- 5 nights accommodation in a 3-star hotel with breakfast
- Two-way airport transfer
- Golden Circle Day Tour
- Snæfellsnes Peninsula Day Tour
- South Coast & Jökulsárlón Glacier Lagoon Day Tour
- Reykjavik City Sightseeing Hop-on-hop-off Tour
- Professional travel agent to assist you with your itinerary
- Luggage allowance: 1 luggage of 24 inch/person + 1 carry on/person

**Day 4 : South Coast Day Tour**

On this tour you will travel along Iceland's South coast on the narrow strip of lush farmland that cuts between mountains, glaciers, and the vast Atlantic Ocean. The route is lined with natural treasures including the iconic **Seljalandsfoss and Skogafoss waterfalls, Skaftafell National Park, and Vatnajökull Glacier** to name but a few.

When you think nothing can beat the scenery, the **Jökulsárlón glacier lagoon** opens up before your eyes and takes your breath away. Packed with icebergs in various shades of white and blue, the lagoon's extraordinary scenery is popular with travelers, photographers, and filmmakers from all over the world. Various bird species can be seen feeding in and around the lagoon and seals are a fairly common sight both at the mouth of the lagoon and at the seaside beach.

**Day 5: Reykjavik City Hop-on-hop-off Tour**

Take a bus tour with City Sightseeing and explore Reykjavik at your leisure, with the opportunity to hop on and off at conveniently located bus stops.

## 8 Days Around Iceland | Ring-Road & Roundtrip airport transfer

Join us on an exceptional, 8 day expedition around Iceland's most popular destinations. Starting in the capital, Reykjavik and visit Iceland's most popular and beautiful sites, including a few lesser known treasures of Icelandic nature.

### Day 1 : Arrival - Blue Lagoon

Upon arrival, you will head to the coach park outside the airport where your transport will be waiting for you. You will enjoy a comfortable ride to your hotel in Reykjavik. Optional to add a trip to the Blue Lagoon or you can add-on a Hop-on-hop-off city sightseeing tour that will bring you around the city to the places of interest.

### Day 2 : Golden Circle

**Pingvellir National Park** - we visit the place where the two tectonic plates, the North American and the Eurasian plate, are moving away from each other. The biggest natural lake in Iceland is also located at Thingvellir National Park and hosts a great variety of fish and birdlife.

**The Geysir geothermal area** hosts hundreds of colorful hot springs and two geysers, erupting hot springs.

The melting water from Iceland's second biggest glacier, Langjökull, falls into a deep canyon forming the majestic "Golden Falls". On a sunny day, you can see the glacier Langjökull in the distance and enjoy a rainbow in the mist of the waterfall, an Instagram blockbuster waiting to happen!

**Accommodation:** in the Golden circle area.

### Day 3 : The South coast

Your first stops will be at two of Iceland's most famous waterfalls. The first, Seljalandsfoss, cascades from the great heights of the interior; its unique feature is the small cavern that lies behind it which allows you to walk completely around it.

The next waterfall is called Skógarfoss which falls in a broad curtain from the steep highlands, and it is rumored to have an ancient treasure hidden behind it. On sunny days, more than one rainbow can often be spotted depending on how close you get to its thunderous spray.

### Price for the package

#### October, March

Twin Room: HK\$23300 per pax Single

Supplement: HK\$7600 per pax

#### April, May

Twin Room: HK\$23880 per pax

Single Supplement: HK\$7800 per pax

The final attraction for the day in the beautiful black sand beach Reynisfjara defined not only for its color but its impressive basalt columns and famous sea stacks.

To make this day even more adventurous you will go on a glacier hiking tour (during winter). This glacier hike gives you amazing scenery through crevasses and jagged ridges, incredible surroundings around the glacier and get up close with the blue ice.

**Accommodation:** Vik

### Day 4: Jokulsarlon Glacier Lagoon

Your next destination will be the glacier lagoon Jökulsárlón with a few surprise stops along the way chosen by your guide depending on the weather and the group's interests.

As these ancient icy giants make it to sea, some wash up on the adjacent beach which has been nicknamed **Diamond Beach** for the glittering chunks of ice that arrive with the surf. Walk beside chunks of ancient glacial ice and marvel at the magical sight at your feet.

To make this day even more adventurous you will go on a **glacier hiking tour (during summer)**. This glacier hike gives you amazing scenery through crevasses and jagged ridges, incredible surroundings around the glacier and get up close with the blue ice.

Go on a **Blue Ice Cave Tour (during winter)** - You will get the opportunity of a lifetime to enjoy one of the world's greatest wilderness, Iceland's largest glacier. You are driven in a specially modified Super Jeep to the glacier, where you get to explore the glacier environment, enjoy a view out of this world, go into and underneath the glacier and experience the glacier's beauty from the inside!

### Optional activities:

- [Amphibian Boat Tour](#)
- [Jökulsárlón Boat Tour](#)

**Accommodation:** in the Southeast area

**Day 5 : The Eastfjords**

Today you will be exploring the beautiful and remote Eastfjords. Traveling through mountainous passes with the ocean to your left, your guide will make a number of stops along these meandering passages. As well as being known for its dramatic fjords, this area is characterized by its breathtaking beaches, littered with multi-colored pebbles and rocks.

Your guide will introduce you to small-town life out in the countryside before heading to the central 'hub' of the East, Egilsstaðir. As well as being the largest town in the Eastfjords, it is also close to the largest forest in Iceland, Hallormsstaðaskógar and the lake Lagaflljót in which a legendary water monster is said to reside.

**Optional activities:**

- [Horse Back Riding Tour](#)

**Accommodation:** Egilsstaðir

**Day 6 : Mývatn and Akureyri****Summer**

You will be making your way to the North of Iceland today, right across the large and beautiful expanse of **Vatnajökull National Park**. Your first stop of the day will be the magnificent Dettifoss waterfall, the most powerful in Europe.

Your next destination is the varied and dynamic **Mývatn area**, named after the lake ('Midge Lake'). This area is known for its energetic geothermal activity and you will get to see this first hand at the **Námskarð** area where these forces rise to the surface through steaming mud puddles and fumaroles.

You will then head to the 'Capital of the North', **Akureyri**. Before you cross the mountain pass to get there, however, you will make a quick stop at the waterfall, **Goðafoss**. This is a historically famous site in which the old idols of the pagan religion were cast into the water as an act of fealty towards the Christian faith.

**Winter**

A visit to **Námskarð** pass, a high-temperature geothermal area where the earth boils and gurgles. The orange and red landscape in the area shows how versatile Icelandic nature can be.

**Dimmuborgir**, your next stop is where you will explore a field of peculiarly shaped lava pillars that rise from the earth and their formations may remind you of trolls, elves and other mythical creatures, even the Icelandic Yule Lads.

Your next destination is the varied and dynamic Mývatn area, named after the lake ('Midge Lake'), you will get to see this first hand at the Námskarð area where these forces rise to the surface through steaming mud puddles and fumaroles.

**Accommodation:** Akureyri

**Optional activities:**

- [VÖK Baths](#)

**Day 7 : Exploring North Iceland**

Today you will head back to where your journey began. You can explore the town of Akureyri or take in some final extra adventures.

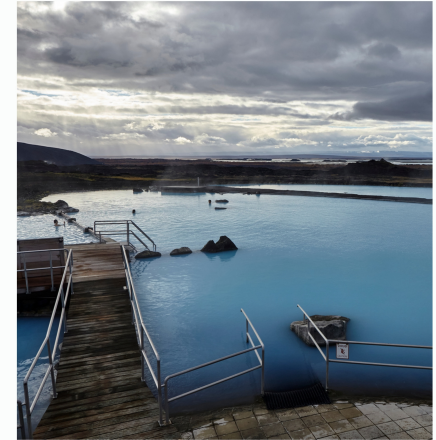

From here you will catch a whale watching tour. You will hop aboard a boat in the local harbour and head out to spot these gentle giants.

You will then head further south to the Hvitserkur area. Hvitserkur is an intriguing rock formation that is often referred to as the 'Troll of Northwest Iceland.' It stands 15 metres tall in the Hunaflói Bay. Local legends say that this formation was once a troll who stayed out too late and when the sun came up, was turned to stone. Today Hvitserkur is one of the most photographed attractions in Northern Iceland and you will quickly see why.

**Accommodation:** Reykjavík

**Day 8 : Blue Lagoon - Departure**

If your flight is later in the day, you can choose to add-on a trip to the Blue Lagoon Spa before heading to the airport. Of course, you can also use the time to shop for some souvenirs before leaving.

**Jökulsárlón Glacier Lagoon** - Starting this day by heading to Jökulsárlón glacier lagoon, a 200m deep glacial lagoon fed by Breiðamerkurjökull, an outlet glacier of Europe's largest glacier. We will allow you to book a boat ride between the icebergs during summertime and get a closer look at the millenary ice. If boating is not your thing, then we walk alongside the glacier lagoon enjoying the magnificent views and dead silence of Icelandic nature.

**Diamond Beach** - On the other side of the road the icebergs from the Jökulsárlón glacier lagoon float into the Atlantic Ocean where they are quickly thrown back to shore by the tide and winds. This black sand beach is full of smaller ice rocks in all shapes and sizes, sparkling like diamonds in the daylight. The ice itself comes in all shades of white and blue forming beautiful contrasts, guaranteed to make your Instagram account pop!

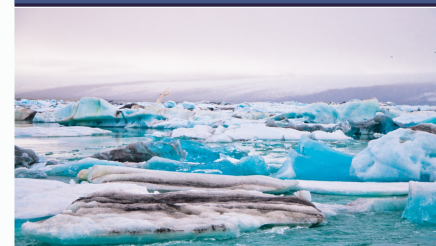

**Reynisfjara, the Black Sand Beach**, is the place where the massive waves of the Atlantic meet the unique basalt columns in the cliffs above the sand. This area of the south is also a paradise for bird lovers, as Puffins and dozens of other unique species are found here from June to August.

### Day 4 : Golden Circle

**Pingvellir National Park** - we visit the place where the two tectonic plates, the North American and the Eurasian plate, are moving away from each other. The biggest natural lake in Iceland is also located at Thingvellir National Park and hosts a great variety of fish and birdlife.

### INCLUDED

- 8 nights accommodation with breakfast
- Roundtrip airport transfers
- Luggage allowance: 1 luggage of 24 inch/person + 1 carry on/person-

- Northern Lights Mystery (English only) in Winter / Northern Lights Planetarium show in Summer

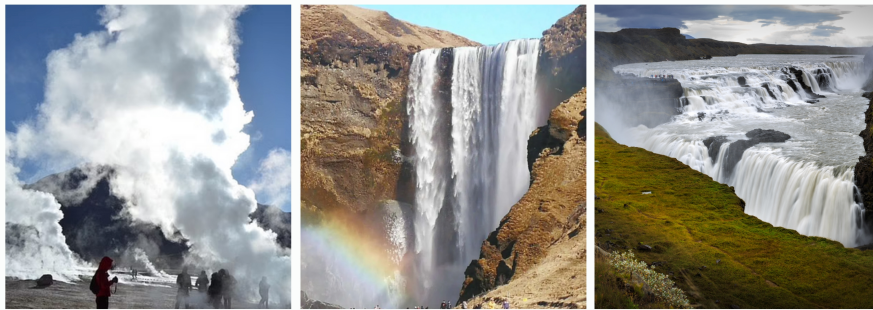

**The Geysir geothermal area** hosts hundreds of colorful hot springs and two geysers, erupting hot springs.

The melting water from Iceland's second biggest glacier, Langjökull, falls into a deep canyon forming the majestic "Golden Falls". On a sunny day, you can see the glacier Langjökull in the distance and enjoy a rainbow in the mist of the waterfall, an Instagram blockbuster waiting to happen!

**Traditional Dairy Farm and Free Ice Cream** - We visit Efstidalur farm owned by the same family since 1850. This Icelandic family-run business sticks to traditional Icelandic farming culture and focuses on cows and cattle breeding. You will be able to enjoy their tasty farm-to-table dairy products, see the stunning mountain view and see the friendly animals. We will invite you to taste the ice cream yourself and meanwhile watch the animals relaxing in the stable.

#### Day 5 : Reykjavik City Tour & Aurora Hunting

Take a bus tour with City Sightseeing and explore Reykjavik at your leisure, with the opportunity to hop on and off at conveniently located bus stops. This bus pass is valid for 24 hours so you take your time to enjoy a full day of Reykjavik. It's a city that boasts the best of both worlds; a modern, trendy, and forward-looking capital whilst at the same time being so close to its unspoiled nature. Reykjavik truly is a magical place to behold.

In the evening, you will go on a aurora hunting tour (September - March). Seeing the northern lights weaving their way across the night sky is a captivating experience.

#### Day 6 : Vikings on the West Coast

You will go from Reykjavik to exploring lava fields, waterfalls, lava caves, white and black beaches and much more. On your way from Reykjavik you will drive along mount Esja that looks over the whole city of Reykjavik. Soon you will enter the scenic fjord of Hvalfjörður (whale fjord). Once you are out of Hvalfjörður you will enter another fjord, Borgarfjörður.

The first attraction of the day is Europe's most powerful hot spring, Deildartunguhver, where bailing water is bubbling from the ground, you will feel the heat from the hot steam. Next stop is Reykholt, one of the most important historical locations in Iceland. This was the home of Snorri Sturluson who was one of the most significant figures of the Middle Ages. After leaving Reykholt you will see two waterfalls, Hraunfossar and Barnafoss. Hraunfossar is a series of rivulets that stream through the dark lava field. Barnafoss waterfall is a light blue waterfall that rushes through a narrow gorge.

You will stay the night in Borgarfjörður area. Since this is a winter tour, you will have a chance of experiencing the northern lights if the weather and northern lights forecast allows

#### Day 7 : A Journey to the Centre of the Earth

Today you will explore the magical peninsula Snæfellsnes. The first stop of the day will be Gerðuberg cliffs, from there you will go to Ytri-Tunga white sand beach. White beaches are not common in Iceland so this is a really interesting stop. Then it's off to Arnarstapi with its magical coastline. This area is surrounded by basalt ravines and caves, you can see the Atlantic ocean rushing against the dramatic cliffs.

Next stop will be Djúpalónssandur, black pebble beach. To get to the beach you will have to walk through a maze of free standing lava pillars.

Throughout the day you will have Snæfellsjökull glacier watching over you. Snæfellsjökull was used as the entrance to the center of the earth in Jules Verne's classic sci-fi novel. You will actually have the chance of entering the center of the earth through Vatnshellir cave if you fancy.

The last but not at all least stop of the day is the most photographed mountain in Iceland, Kirkjufell. On your way back to Reykjavik, you will drive through a stunning fjord called Hraunsfjörður where you will see the dark lava field of Berserkjahraun lava field. On your way back make sure to keep an eye on the sky as you might be able to experience the magical northern lights along the way back to the city.

#### Day 8 : Free at leisure

You can choose to add-on activities on this day as you wish.

##### Optional activities:

- [Blue Lagoon](#)
- [Whale-watching](#)
- [Lava Tunnel](#)
- [Dog-sledding](#)

Go on a **Blue Ice Cave Tour (during winter)** -

You will get the opportunity of a lifetime to enjoy one of the world's greatest wilderness, Iceland's largest glacier. You are driven in a specially modified Super Jeep to the glacier, where you get to explore the glacier environment, enjoy a view out of this world, go into and underneath the glacier and experience the glacier's beauty from the inside!

**Optional activities:**

- [Amphibian Boat Tour](#)
- [Jökulsárlón Boat Tour](#)

**Accommodation:** in the Southeast area

**Day 5 : The Eastfjords**

Today you will be exploring the beautiful and remote Eastfjords. Travelling through mountainous passes with the ocean to your left, your guide will make a number of stops along these meandering passages. As well as being known for its dramatic fjords, this area is characterised by its breathtaking beaches, littered with multi-coloured pebbles and rocks.

Your guide will introduce you to small-town life out in the countryside before heading to the central 'hub' of the East, Egilsstaðir. As well as being the largest town in the Eastfjords, it is also close to the largest forest in Iceland, Hallormsstaðaskógar and the lake Lagaflljót in which a legendary water monster is said to reside.

**Optional activities:**

- [Horse Back Riding Tour](#)

**Accommodation:** Egilsstaðir

**Day 6 : Myvatn and Akureyri****Summer**

You will be making your way to the North of Iceland today, right across the large and beautiful expanse of Vatnajökull National Park. Your first stop of the day will be the magnificent Dettifoss waterfall, the most powerful in Europe.

Your next destination is the varied and dynamic Mývatn area, named after the lake ('Midge Lake'). This area is known for its energetic geothermal activity and you will get to see this first hand at the Námskarð area where these forces rise to the surface through steaming mud puddles and fumaroles.

You will then head to the 'Capital of the North', Akureyri. Before you cross the mountain pass to get there, however, you will make a quick stop at the waterfall, Goðafoss. This is a historically famous site in which the old idols of the pagan religion were cast into the water as an act of fealty towards the Christian faith.

**Winter**

A visit to Námskarð pass, a high-temperature geothermal area where the earth boils and gurgles. The orange and red landscape in the area shows how versatile Icelandic nature can be.

Dimmuborgir, your next stop is where you will explore a field of peculiar shaped lava pillars that rise from the earth and their formations may remind you of trolls, elves and other mythical creatures, even the Icelandic Yule Lads.

**Day 7 : Exploring North Iceland**

Today you will head back to where your journey began. You can explore the town of Akureyri or take in some final extra adventures.

From here you will catch a whale watching tour. You will hop aboard a boat in the local harbour and head out to spot these gentle giants.

You will then head further south to the Hvitserkur area. Hvitserkur is an intriguing rock formation that is often referred to as the 'Troll of Northwest Iceland.' It stands 15 metres tall in the Hunaflói Bay. Local legends say that this formation was once a troll who stayed out too late and when the sun came up, was turned to stone. Today Hvitserkur is one of the most photographed attractions in Northern Iceland and you will quickly see why.

**Accommodation:** Reykjavík

**Day 8 : Snæfellsnes peninsula**

One of the peninsula's most iconic sites is the 'mountain like an arrowhead', Kirkjufell, made famous from Season 7 of HBO's Game of Thrones. As the town landmark of Grundarfjörður, Kirkjufell is found on the peninsula's northern shore and holds the title as Iceland's "most photographed mountain" due to its unique and striking aesthetic.

You'll next make a visit to the black sand beach of Djúpálónssandur, found at the base of Snæfellsjökull glacier. Once a popular fishing village and port, Djúpálónssandur now lays deserted, save for the four famed lifting stones that, throughout history, have been used a test of strength among local fishermen.

If you want to spice up your day, you could choose to explore Vatnshellir lava tube, an 8000-year-old cave situated 35-metres under the ground. Visitors here will descend a metallic staircase, revealing a 200-metre long subterranean world filled with intricate rock formations and captivating colour shades.

**Accommodation:** Borgarnes

#### **Day 9 : The West**

You will begin by leaving Borgarnes and you will make your first stop in the Reykholtisdalur Valley. This is a place that demonstrates the powerful geothermal forces that have shaped Iceland. This area is the home of Europe's most powerful hot spring, Deildartunguhver.

You will then head to the village of Reykholt. This place was the home of Snorri Sturluson. Snorri was a noted Icelandic poet, historian and lawspeaker who lived during the middle ages. His work is considered an invaluable record of the Old Norse mythology and language.

You will also make a stop at two incredible waterfalls. Barnafoss and Hraunfossar. Hraunfossar is fed by underground water that soaks through the pores of lava rock. Barnafoss pushes its way through a narrow gorge.

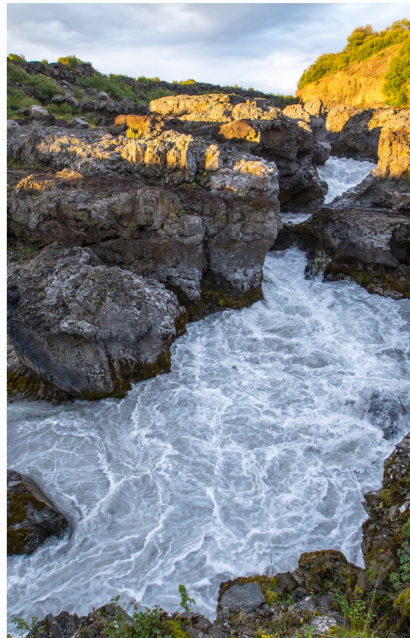

**Optional activities:**

- [Viðgelmir lava cave](#)

**Accommodation:** Reykjavik

#### **Day 10 : Blue Lagoon - Departure**

If your flight is later in the day, you can choose to add-on a trip to the Blue Lagoon Spa before heading to the airport. Of course, you can also use the time to shop for some souvenirs before leaving.
